### Values

I am growing in my understanding of Christian values. My faith informs my beliefs about moral issues.

## First Steps

Write down 5 convictions regarding your relationships with others (family, neighbors, and strangers) that you will never violate. Before making a decision with ethical or moral implications, learn to pray, "What course of action will best express my love of God and neighbor?"

## Next Steps

Prayerfully answer the question, "Where does the world need me to 'do' or 'be' a proponent of justice?" Find a group to read and discuss Adam Hamilton's book "Confronting the Controversies" or Tony Campolo's "20 Hot Potatoes Christians are Afraid to Touch."

## Continuing

Read "The Path" by Laurie Beth Jones or "First Things First" by Stephen Covey to develop a personal mission statement for your life.
